36,000 ft<sup>2</sup>

Capital International signed lease for 36,000ft<sup>2</sup> across Levels 32 & 33. The project is a high end quality fit-out that includes an internal staircase and void, research centre, trading room, data centre, extensive video conferencing facilities, training rooms, 44 private offices and open plan seating for 118 staff.

The project includes the management of the full relocation of staff, work materials and IT from Capital Internationals current premises. The project also includes the reinstatement of the 3 floors currently occupied by Capital International at One Raffles Place.
