The Merx logo consists of the word "merx" in a lowercase, sans-serif font, with a stylized flame or spark symbol above the letter 'x'. The logo is white and is set against a solid orange rectangular background.

The project involved fitting out of approximately 29,000ft² (valued at S\$1.9 million) of corporate office space within Level 3 to Level 4 of Ocean Building, which comprise open plan workstations, private offices, meeting rooms, mailroom, nursing room, pantry, reception area and all associated IT Suite support areas.

The project was divided into 2 phases with Level 3 (Phase 1) completing on 23rd June 2006 and Level 4 (Phase 2) by 30th June 2006. Merx was appointed as Project Manager, Construction Manager & Cost Manager by CS. The project was completed successfully within 8 weeks of Merx appointment and was handed over to Credit Suisse within the fast track time frames required.
