Area	120,000 ft ²

The Merx logo consists of the word "merx" in a lowercase, sans-serif font, with a stylized white bird-like icon above the letter 'x'. The logo is set against a solid orange rectangular background.

The project involves the new fit-out of 6 floors of One IFC in Central Hong Kong. The project can be summarised as follows:

- 115,000ft² fit-out of 6 newly leased floors within One IFC, Hong Kong
- New premises will accommodate 1,100 Macquarie staff
- One floor will accommodate up to 280 traders
- Design includes N+1 redundancy on critical systems infrastructure
- Dedicated client meeting room area with 20 meeting rooms
- Internal cafes and staff break out areas
- 3 new internal staircases
- Additional showers and toilets areas

The project is due for completion by end 2008 with staff migration planned for January-February 2009. Merx has been formally appointed as the lead project and construction managers for all aspects of the project.
