Phase 1 11500 ft2

The Merx logo is displayed in white lowercase letters on a solid orange rectangular background.

Merx was appointed as the Client Project Managers for the fit out of the Omniyat Properties office in Dubai, UAE.

The 1st phase of the project involved the fit out of more than half of the 26th floor in the Burjuman Business Centre, into 12 departmental offices including work station desks for the general open plan areas. The office also contained 2 meeting rooms a Board room, all complete with AV capacity, as well as a Kitchen, Prayer Room and Staff relaxation lounge.
