20,000ft²

The Merx logo is displayed in white lowercase letters on a solid orange rectangular background.

This exclusive medical centre covers 20,000 ft² and comprises dedicated clinics specialising in Cardiology, Oncology, Aesthetic & Plastic Surgery, Gynecology, Ophthalmology, Dentistry, Pediatric and more. Merx were appointed as project managers and construction managers to oversee all aspects of the front end procurement and design co-ordination as well as manage all aspects of the delivery and construction phase. Merx worked with the lead consultant DB&B to achieve a high quality project that surpassed the clients expectations.
