

MTC Vodafone

MTC headquarters, Kuwait

Project Manager	Merx
Interior Designer	Brightpoint ME
MEP Consultant	Brightpoint ME
Quantity Surveyor	Merx
Area	12 Stores (to date)

Brightpoint Middle East were appointed by MTC Vodafone to undertake the interior design and project manage the fit-out of their retail store revitalization project. The project commenced in 2004 and progressed into 2005 when Brightpoint engaged Merx to assume the PM role.

Merx spent almost 3 months in Kuwait, successfully delivering two retail stores and project managing the fit-out of an 8,000 sq.ft commercial office space at the commercial headquarters of MTC in Kuwait. As Project Managers, Merx controlled the project programme and budget, interfaced with landlords, managed the design, site visits and inspections, verified contractor plans, identified discrepancies and variations, supplier management and project schedule management. To date the project has delivered 10 retail stores and 2 kiosks.
