The Merx logo consists of the word "merx" in a lowercase, sans-serif font, with a stylized white flame or spark icon above the letter 'x'. The logo is positioned on a solid orange rectangular background.

Merx was appointed as Project Manager and Cost Manager for this office refurbishment project. The project was coordinated and managed in a "live environment" with no disruption to the clients' day to day operational business activity. The design incorporated refurbishment new and relocating existing workstations, conference rooms, architectural staircase connecting Levels 11 & 12, mail distribution area. The project was completed on programme and budget.
